

Diffusor plate L2

47.950.-401.85

100°C

Diffusor plate L2

47.950.-401.85

DESCRIPTION

Diffusor plate L2 for use with reflectors with Ø 74 mm 35.835.1005 - 1008.56

The following product properties are achieved by combining a cover plate with a reflector:

- Soft transition of the color fringes
- Possibly visually disruptive openings of the connector are covered
- Dust proof
- Insect protection
- Contact protection
