

- Part number : BRP 066806
- Profile / style : British 6 mm
- Connection : Hose barb for hose ID 6 mm
- Description : Adaptor / Plug
- Color code : Orange
- Maxi working pressure : 16 bar
- Construction : Treated steel
- Special design for clamp
- Non stressing hose end
- Hardness : Abrasion resistant
- Compliance : RoHS directive
- Corrosion resistant
- Scratches resistant
- Friction resistant
- Crush resistant
- Interchangeability : All British 6 mm couplings
- Advised coupling BSI 06
