## STANLEY Single Pull Cutter – Pack of 10

STHT10355-1

- Recessed blade helps reduce risk of injury
- Hook piercer pierces and cuts through single and double wall corrugate cardboard
- Contoured grip for comfort and control
- Integrated plastic tape splitter pierces and cuts through thick layered tape in one motion
- Lightweight construction helps reduce user fatigue
- Lanyard tether for easy transportation, security or storage

### Description:

The STANLEY Single Pull Cutter has a recessed blade, integrated plastic tape splitter, contoured grip, and hook piercer that pierces and cuts through single/double wall corrugate. The lightweight design helps reduce user fatigue when working continuously with cutting tools in a fast-paced environment. The safety cutter reduces the risk of cuts, lacerations, and punctures on the job.
