Datasheet

RS Pro Magnetic Lock, 2000N

RS Stock No: **791-7558**

Product Details

RS Pro magnetic lock offers 2000 N dynamic holding force capacity. It is ideal for use in machine tools, door locking / holding, feeder mechanisms, short stroke / high force operations, textile machinery, automation, office machines and grill locking.

Features and Benefits

- Holding force of 2000 N
- Suitable for use in machine tools, door locking/holding, feeder mechanisms, short stroke/high force operations, textile machinery, automation
- Also works with office machines and grill locking

ENGLISH

Specifications:

AC or DC Operation	DC
Diameter	80 mm
Holding Force	2000 N
Supply Voltage	12 V dc
Application	Machine Tools, Door Locking/Holding, Feeder Mechanisms, Short Stroke/High Force Operations, Short Stroke/High Force Operations, Textile Machinery, Automation, Office Machines, Grill Locking, Packaging Machinery, Remote Hold/Release
Current Rating	210 mA
Finish	Bright Nickel Plated with Machined Face
IP Rating	IP54
Power Consumption	13.3 W

Dimensions
