Description:

The DEWALT 85 Piece Drill Driving Set has been designed for secure storage of bit sets and accessories. The large ToughCase™ has a clear lid for easy identification for easy bit removal. The unit is T-STAK compatible, hold all your accessories in one place, allowing you to use the locking system to connect the cases together, and securely stack with small, medium, and large Tough Cases. The Extreme SDS Plus masonry drill bits are designed with a Toughcore, tapered central core increases stability and durability, reducing breakage. The black & gold metal drill bits are made from high speed steel for wear resistance and longer life. The screwdriver bits are designed with an optimised tip geometry for precise head fitment and reduced cam out.
