Order no.: 31499

Article number: 2691T11ESD

EAN: 4010995314996

Customs tariff number: 82079030

Simplifies your work: Blade length is adjustable from 18-90 mm.

Increases your efficiency: Compact precision fastening tool System 4 with comprehensive, interchangeable blade selection.

Protects your health: With the patented SoftFinish® handle design, ensuring work is kind to hands and muscles. Recommended by doctors and therapists at German Campaign for Healthier Backs.

Makes handling easier: Easy operation of the locking and unlocking button.

Lowers your costs: Electrostatically conductive tools protect electronic components from damage.

Application: Ideal for fastening low-lying screws in electronic components.

A standard-length blade is unable to reach low-lying screws in electronic components. The SYSTEM 4 ESD set provides a remedy for such screws – a versatile, space-saving interchangeable tool. Thanks to the SYSTEM 4 interchangeable blades, the required blade profile can be quickly and easily inserted and the blade length fixed to requirements. System 4 interchangeable blades can reach lengths between 18 and 90 mm. The SYSTEM 4 handle is compatible with all Wiha SYSTEM 4 interchangeable blades (series 269). In particular, SYSTEM 4 blades are optimally suited to carry out precision work on electronics. The click-stop ball clamp guarantees a secure hold for blades. The screwdriver handle is manufactured in line with the IEC 61340-5-1 international standard and thus guarantees maximum protection for electronic components. The dissipative handle has a surface resistance between 106 and 109 ohm and safely channels electrostatic energy away in a controlled fashion. The ergonomically shaped SoftFinish® handle is also recommended by doctors and therapists. The robust roll-up bag ensures tools are neatly packed away, saving space.

Content:

- 1x Screwdriver handle SoftFinish®-telescopic ESD for SYSTEM 4 interchangeable blade 4.0 mm (31498)
- 1x Interchangeable blade SYSTEM 4 Slotted 1.5 mm, 3 mm, 120 mm (00576)
- 1x Interchangeable blade SYSTEM 4 Slotted 2.0 mm, 3.5 mm, 120 mm (00577)
- 1x Interchangeable blade SYSTEM 4 Slotted 2.5 mm, 4 mm, 120 mm (00578)
- 1x Interchangeable blade SYSTEM 4 Phillips PH000, PH00, 120 mm (00579)
- 1x Interchangeable blade SYSTEM 4 Phillips PH0, PH1, 120 mm (00580)
- 1x Interchangeable blade SYSTEM 4 TORX® T6, T8, 120 mm (00597)
- 1x Interchangeable blade SYSTEM 4 TORX® T7, T9, 120 mm (00598)
- 1x Interchangeable blade SYSTEM 4 Ball end hex 1.5 mm, 1.5 mm, 120 mm (00583)

- 1x Interchangeable blade SYSTEM 4 Ball end hex 2.0 mm, 2 mm, 120 mm (00584)
- 1x Interchangeable blade SYSTEM 4 Ball end hex 2.5 mm, 2.5 mm, 120 mm (00585)
- 1x roll-up bag
