#### Description

- Switches are possible with different heights
- High-quality gold and silver contacts
- Solder terminals

### **Unique Selling Proposition**

- Reliable tactile feedback on input
- Simple assembly
- Long life time

### **Approvals and Compliances**

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in Details about Approvals

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.
