MY PASSPORT™ ULTRA FOR MAC

PORTABLE HDD STORAGE

Product Features

Sleek Metal Design

Fusing modern anodized metal and textures, the My Passport™ Ultra for Mac portable drive matches your personal style and the latest Mac computers.

USB-C™ Ready

Featuring USB-C™ technology, the My Passport™ Ultra for Mac portable drive delivers quick and easy storage for your Mac, while the included USB 3.2 Gen 1/USB 3.0 adapter makes sure it's compatible with older machines.

Compatible with Mac and Windows®

My Passport™ Ultra for Mac is ready to deliver plug-and-play storage out of the box. With the included software², you can also work across both Mac and PC. We provide a downloadable HFS+ driver for Windows® 10+, to enable you to read and write to your My Passport™ Ultra for Mac drive without reformatting.

Password Protection with 256-bit AES Hardware Encryption

Built-in 256-bit AES hardware encryption with password protection helps keep your digital life's contents secure. Just activate password protection and set your own personalized password using our included software².

3-Year Limited Warranty³

The My Passport™ Ultra for Mac drive is built using tried and true components for lasting endurance and comes with a 3-year limited warranty to deliver reliable storage you can rely on.
