Included with all DYMO® LabelWriter™ label printers:

Each LabelWriter™ printer comes with the latest DYMO® Label™ software that makes creating customised labels easy with text, images, pictures, date & time, serial numbers, and 20 different types of barcodes.

Create your own desktop mailing solution

Combine any LabelWriter™ label printer with any DYMO® USB digital postal or shipping scale to create a complete mailing or shipping system.

Environmentally friendly

All LabelWriter™ printers have automatic sleep mode – to conserve energy and reduce your costs.
