

Extreme FLEXTORQ 25pc Set PH2 25mm in Small Bulk Storage Case DT70555T-QZ

- ToughCase™ Case containing 25mm Phillips Screwdriver Bits
- Extreme set contains Next Gen FLEXTORQ screw driving bits – impact ready, latest innovation and technology for improved life and durability
- New cases – modular, stackable, lock together, portable
- New clear lid – quick & easy bit selection
- Small tough cases fit in the caddy for TSTAK compatibility

Description:

EXTREME FLEXTORQ screwdriver bits are designed to withstand the high forces of today's impact drivers. This significantly reduces the instances of failure when fixing large screws in place. The small ToughCase™ is durable and robust ensuring bits are kept safe and secure, whilst there is easy accessibility to screw driving accessories.
