

## COMPACT DRILL XR 18V 5AH LI-ION BRUSHLESS DCD800H2T-QW

- 13 mm freestanding metal chuck: robust chuck
- Variable speed trigger: allows speed control. Less risk of over-tightening
- Swivel LED: better visibility in dark and confined spaces
- 15 Torque control settings: precise adjustment of the clamping force. User can adapt the tool to desired performance and finish
- Brushless motor: more power, efficiency and durability
- Ergonomic handle: more comfortable for longer use

Chuck capacity	1.5-13 mm
No-load speed	0-650 / 2000 tr/min
Hard/soft torque	90 / 27 Nm
Drilling capacity Wood/Metal	55 / 13 mm
torque adjustment	15
Weight (without battery)	1,28 kg
Gencod	5035048793633

**Standard equipment:**  
2 POWERSTACK batteries, charger, belt clip,  
magnetic bit holder, TSTAK box
