

Pibow 3 B+ Coupé (Raspberry Pi 3 B+, 3, & 2)
The slim and compact case for the Raspberry Pi!

PIM 341-Coupe for Raspberry

PIM 342- Ninja Coupe for Raspberry

PIM 343- Royale Coupe for Raspberry

PIM 344- Foltilla Coupe for Raspberry

Product Description:

Crafted out of five unique layers including a transparent top and base that leave your beautiful Pi visible inside. Each layer is laser-cut from colourful, high-quality, cast acrylic and once stacked they securely contain a Raspberry Pi 3 B+, 3, or 2 while leaving the primary ports, including the camera port, display port, and GPIO accessible. Weighing just over 50 grams, the case is lightweight and ideal for mounting to any surface. No tools are required for assembly or disassembly. The dimensions are: 99x66x15mm (WxLxH, not including bolt heads and nuts).

Features:

- Compatible with Raspberry Pi 3 B +, 3 and 2
- Additional ventilation and a space for a heat sink
- Super-slim design
- HAT and pHAT compatible
- Works great with spacers!
- Protects the Pi from amazement, dirt and damage
- Laser marks on the GIPO ports and connectors
- Transparent top and bottom
- All connections of the Raspberry Pi remain accessible
- Made of lightweight, high quality cast acrylic
- Great for hacking and crafting!.

Made from five individual layers, including a transparent top and bottom. So the Raspberry Pi remains visible and all ports are still accessible. Each layer is laser cut from colorful, high quality cast acrylic glass and has an engraved number. Starting with the clear bottom plate, you now stack layer by layer, and keep a stable housing for the Raspberry Pi 3 B +, 3 or 2, while the primary ports, including the camera port and display port (DSI), remain accessible.

Weighing just over 50 grams, the case is lightweight and ideal for mounting on any surface. No tools are required for assembly or disassembly. The dimensions are: 99x66x15mm (WxLxH, without screw heads and nuts).
