STANLEY 155mm Springback Safety Knife

0-10-189

Features:

- Safety knife with self-retracting blade
- Spring loaded blade automatically retracts when the slider is released
- Supplied with special round nose heavy duty blade for ultimate safety

Description:

The STANLEY 155mm Springback Safety Knife is a great solution for operating a blade safely. The self-retracting blade is spring loaded, so that it automatically retracts when the slider is released. The blade has a special rounded nose for extra safety. The knife includes an interlocking nose that firmly secures the blade into the knife.
