

Datasheet

RS PRO HDMI 270° Right Angle Male to Female Adapter, Black

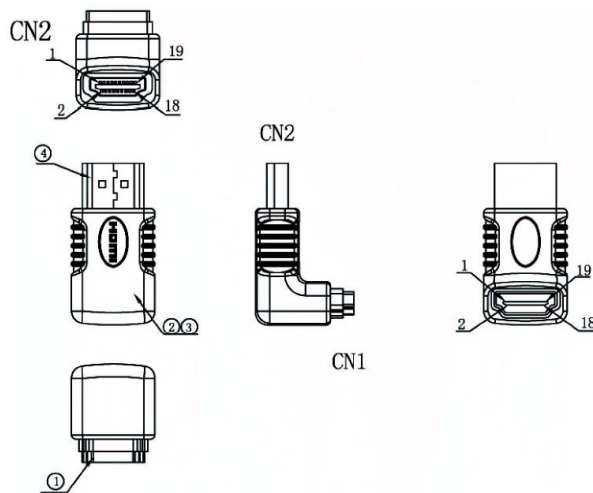

Stock number: 2299963

EN

The RS PRO HDMI right angle male to female adapter has a black PVC shell and metal connectors which are gold plated, and has all 19 pins connected.

Due to the positioning of the HDMI ports on some screens or devices, using right angled adapters can relieve the stress on the cable.

HDMI is possibly the most common display connection on the market which can be found on devices ranging from PC's, Bluray players, games consoles and more.
