# DESCRIPTION

The *Raspberry Pi User Guide, 4th Edition* by Eben Upton and Gareth Halfacree contains everything the reader needs to know to get up and running on the Raspberry Pi.

**The fourth edition is updated for the latest revision of the Raspberry Pi Model B+!**

Written by Gareth Halfacree and Eben Upton, the co-creator of Raspberry Pi, this book shows how to:

- Install software and connect to display, audio, network and more
- Master Linux nomenclature and conventions
- Write your own software using Scratch and Python
- Install, run and explore Minecraft Pi edition
- Hack hardware and troubleshoot common issues
- Customize your Pi with software, hardware and network configuration
- Extend the Pi's capabilities with add-ons like Wi-Fi dongles, a touch screen and more

And check out all of our other Raspberry Pi books, accessories, boards, cases, packs, and more in the store!
