

PRODUCT INFORMATION SHEET

SDS+ point chisel

Product description

Chisel with converging point, the so-called point chisel. Intended for repair and demolition work, such as crushing and loosening of concrete, removing of plaster, hammering of walls and tiles, and cutting of passages.

Characteristics

- SDS-Plus clamping enables quick and replacing of chisels without using any tools;
- special induction-hardened steel ensures long life and exceptional performance;
- geometry of the point prevents jamming in concrete.
