Specifications

Indication of charging status:	LCD
Trickle Charging:	Yes
Charger type:	Home Desktop
Charger type:	Car
Input voltage:	12 VDC
Input voltage:	100-240 VAC
Batteries included:	4x AA/HR6 2600 mAh
Safety functions:	Overheat Protection
Safety functions:	Safety Timer
Safety functions:	Minus Delta V
Cable length:	1 m
No. of batteries supported:	2
No. of batteries supported:	4
Power plug:	Euro / Type C (CEE 7/16)
Power plug:	Car Adapter
Power plug:	USB
Battery type:	AA
Battery type:	AAA
Technology:	NiMH
