

## FEATURES

- Tweezers with strong tips and thin blades, ideal for microelectronics applications.
- ESD-safe version
- Low carbon austenitic steel
- Non-magnetizable
- Good corrosion resistance to most chemicals, salts and acids
- Generally used where corrosion resistance and toughness are primary requirements
- Laser marked

## RS PRO ESD tweezers with strong tips and thin blades

RSPRO Stock No.: 238-0694

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

*Typical applications include different tasks in microelectronics, jewellery making, laboratory, watch making and repairs, DIY and medical fields in mild aggressive chemical environments. Tweezers are the ideal instruments to handle, grab or hold small objects when precision and accuracy is needed.*

### General Specifications

<b>Overall length (mm)</b>	120
<b>Overall length (")</b>	4 3/4"
