Introducing 3M™ Solus™  
CCS Series Protective Eyewear

Keep your earplugs and eyewear  
attached, untangled and ready to  
use with built-in fog resistance.

3M™ Solus™ CCS Series

# Designed with a Cord Control System to keep everything where it belongs.

## 3M™ Solus™ CCS Series

With integrated Cord Control System (CCS) temples, the 3M™ Solus™ CCS Safety Glasses help you keep everything under control. The versatile design helps keep eyewear and earplugs attached, untangled and ready to use, so your team has the convenient, comfortable protection they need to focus on the jobs at hand.

This stylish eyewear comes with 3M™ Scotchgard™ Anti-Fog/Anti-Scratch lens coating (except the basic CCS model) and an optional removable foam gasket is available for all models for added cushioning and protection.

### Removable Foam-lined Gasket

Helps limit eye exposure to dirt and debris while providing added comfort and cushioning. Easily removed for cleaning or alternate wearing configurations.

### Cord Control System (CCS)

Designed to keep eyewear and earplugs attached, untangled and ready to use. Earplug cord can be worn around the neck to carry eyewear when protection is not in use. Compatible with a variety of 3M vinyl-corded earplugs. (Earplugs sold separately.)

### Vented Gasket

Small vents in the optional gasket help minimise fogging.

### Robust Anti-Fog/Anti-Scratch Coating

- ▶ Scotchgard™ Anti-Fog Coating provides fog and abrasion resistance.
- ▶ Resists fogging longer than traditional anti-fog coatings, up to 25 washings with water.\*
- ▶ Helps provide durable scratch resistance in tough work environments.

### Polycarbonate Lenses

- ▶ Absorb 99.9% of UVA and UVB rays.
- ▶ Meet the requirements of EN166:2001 Standard as an Impact Rated Spectacle.

## IMPORTANT NOTICE

The use of the 3M product described within this document assumes that the user has previous experience of this type of product and that it will be used by a competent professional. Before any use of this product it is recommended to complete some trials to validate the performance of the product within its expected application.

All information and specification details contained within this document are inherent to this specific 3M product and would not be applied to other products or environment. Any action or usage of this product made in violation of this document is at the risk of the user.

Compliance to the information and specification relative to the 3M product contained within this document does not exempt the user from compliance with additional guidelines (safety rules, procedures). Compliance to operational requirements especially in respect to the environment and usage of tools with this product must be observed. The 3M group (which cannot verify or control those elements) would not be held responsible for the consequences of any violation of these rules which remain external to its decision and control.

Warranty conditions for 3M products are determined with the sales contract documents and with the mandatory and applicable clause, excluding any other warranty or compensation.

For more information on 3M products and services please contact 3M.
