

BLACK MOLLE SHEATH

931005

0037447571077

A nylon MOLLE system sheath featuring a snap webbing strap for attachment on backside.

DETAILS

Our MOLLE sheath, pronounced "Molly," is made of durable ballistic nylon and features a hook-and-loop closure and a snap webbing strap for attachment on the back. MOLLE, which stands for Modular Lightweight Load-carrying Equipment, is used to attach your multipurpose tool to backpacks, load-bearing vests and other gear so you can access your Leatherman on the go.

Internal Capacity:

Large: 4.25" x 1.5" x .8"

Extra Large: 4.75" x 1.5" x .8"
