DETAILS

Protect your multi-tool with these redesigned Nylon Sheaths. Every detail has been thought through to ensure these Sheaths are long-lasting, dependable and easy to use. A high-grade metal rivet snap closes tightly and keeps your tool secure. They're made out of durable, ballistic nylon and elastic with reinforced stitching for improved accessibility and fit. The extra pockets in this Nylon Sheath were crafted to carry a Bit Kit, Bit Extender, and small flashlight or marker style pen. Overall fit may vary depending on accessories carried.

Fits 1.75" wide belt and smaller.
