## Product Description

*RS PRO 120 litres mobile spill kit is the complete response tool for most types of spills. Chemical spill kits contain high visibility yellow sorbent pads, sorbent socks and accessories to manage spills effectively. The 2 wheeled bin with lid is easy to move between locations. Spill kits are typically positioned in close proximity to potential risk of spillage. The contents are ergonomically packed to allow for quick and easy application in case of emergency. The bins can be re-used and refilled using a dedicated refill kit.*
