RS PRO 50 Litre Chemical Spill Kit

RS Stock No.: 872-5772

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO 50 litres compact size spill kit is the complete response tool for most types of spills. Chemical spill kits contain high visibility yellow sorbent pads, sorbent socks and accessories to manage spills effectively. The shoulder bag is made of durable viny. Spill kits are typically positioned in close proximity to potential risk of spillage. The contents are ergonomically packed to allow for quick and easy application in case of emergency.
