IDEAL Punch Down Tools

NEW

Insert and cut cable terminations effortlessly with IDEAL Punch Down Tools. Impact absorbing cushioned grip reduces operator stress for high volume installers. Adjustable high/low actuation setting accommodates termination requirements or operator preference.

Storage compartment with unique locking device provides convenient storage for spare blades and helps prevent blade loss.

- Punchmaster™ Sure-Lock™ holder design ensures blade retention during use.
- Punchmaster™ II and non-impact tool has Turn-Lock™ style blade holding design.

Note: Blades are not interchangeable between two blade holding designs.
