SKU
110991410

PRODUCT DETAILS

Key Features

- Compatible Side Panels for BeagleBone® Green
- 1mm Acrylic sheet with the colour black
- Specific Sets of Standoffs for BeagleBone® Green

This is the compatible Acrylic side panels of re_ computer case. You can easily set up a complete re_computer case appearance for BeagleBone® Green using the side panels. It is made of 1mm Acrylic sheet with the colour black, which suits the appearance of re_computer case.

When installing these SBCs, please follow the instruction below and use the required screws and standoffs.

We also prepared specific side panels for other popular SBCs. Please check:

At Seeed, you can also design your solution all in one page where you choose the desired SBC, any compatible mission board (HATs, expansions) that you want, I/O modules, and nicely place them in the suitable enclosures/cases such as re_computer case. Rest assured, as we have tested full compatibility for all of the products listed on the page. Try it now here and save you time to find hardware compatibility!
