Article number 144293

BAI SOX-E 18W BY22d 1600lm 1800K Clear Tube 53x216mm 12000h Low pressure sodium-vapour lamp

SOX lamps are often used in traditional (street) lanterns or other characteristic fixtures that are often found in inner cities. Many of these luminaires contain the calm, orange-like light (also called sodium light).

General ETIM properties

ETIM group	Lamps
ETIM class	Low pressure sodium-vapour lamp
Name	144293
Brand	Bailey
Productseries	SOX
Product type	SOXE18W

ETIM specifications

Average nominal lifespan [h]	12000
Weighted energy consumption in 1000 hours [kWh]	20
Energy efficiency class	G
Suitable for electronic ballast	Yes
Total length [mm]	216
Diameter [mm]	53
External ballast required	Yes
External ignitor required	Yes
Lamp efficacy [lm/W]	100
Colour temperature [K]	1800
Colour rendering index CRI	20-39
Luminous flux [lm]	1600
Lamp power [W]	18
